American Embassy Kabul
Great Masoud Road
Kabul, Afghanistan

Dear Prospective Offeror:

Enclosed is a Request for Quotations (RFQ) for Electrical Supplies. We kindly request that you submit your quotation based on the specification mentioned, complete the required block of the attached document, and submit it to KabulGSOBids@state.gov.

Only bids sent to KabulGSOBids@state.gov will be accepted. Please do not send your bids to any other email addresses.

While sending your quotes via email the subject line should be: **RFQ#PR4021712 for GSO PA Z4P (Vendor Name) Quote for Electrical Supplies**

Please ensure that your subject line follows this format. If it does not comply with above format your bid will NOT be accepted.

The deadline for receipt of this RFQ is **13:00 local time, January 20th, 2015**. No quotations will be accepted after this time.

The U.S. Government intends to award a contract for Electrical Supplies to the responsible company submitting an acceptable quotation at the lowest price. We are only looking to purchase best service. If you offer poor services we will not accept them and will not be able to do business with you in the future.

We intend to award the contract based on initial quotations, without holding discussions, although we may hold discussions with companies in the competitive range if there is a need.

Offers that fall within our competitive range require additional processing for companies wishing to do business with the U.S. Embassy in Kabul, Afghanistan.

This extra risk analysis vetting is performed on key contractor personnel; including host country, third country, U.S. citizens, and Legal Permanent Residents of the United States. The vetting process applies to all contracts, purchase orders, delivery orders, Blanket Purchase Agreements (BPAs), and BPA calls.

A request for information will be emailed to offerors in the competitive range or selected vendors, and all interested vendors must provide all information requested in the DS Form 4184, Risk Analysis Information. Vendors are required to submit the requested data required for vetting via a secure online portal linking them to the Risk Analysis Management (RAM) office; access to the Portal and instructions for creating an account will be provided to the vendor by email.

Successful passing of vetting is one condition of receiving award. Other factors are price reasonableness and technical acceptability. Each vendor should submit the requested data via the secure online RAM portal within 3-5 days after being contacted. Vendors who do not provide the information will not be considered for contract awards.
